SUMMARY

I am a full stack developer with a strong background in building and maintaining React applications. I have a keen eye for aesthetics and enjoy creating visually appealing user interfaces. Recently, I have gained proficiency in C#, and I am excited about leveraging this knowledge to develop software that solves real-world problems and delivers exceptional user experiences.

TECHNICAL SKILLS

JavaScript | React | Node/Express | MongoDB | HTML5 | CSS/SASS | Azure | Git | ASP.NET | C#

SOFT SKILLS

Problem-solver | Creative | Continuous Learner and Flexible | Great Communicator | Empathy | Organized | Time management

WORK HISTORY

JUNIOR FULL STACK DEVELOPER - PORTON HEALTH | MAY 2022 - AUGUST 2022
